

Chelsea Highlands is a neighbourhood connected by trails. Whether you tend your sunny garden plot, strap on the snowshoes, hit a tennis ball or head to the river for a bicycle ride, the car is unnecessary. The Pathways hamlet sits at the heart of a network of historic trails, all centred on the Highlands Park.

A gently sloping triangular-shaped property, Lot #13 sits on a low ridge bordered by two small streambeds. With the Bleakney Trail at the far back and the Woods Trail flanking the west property line, Lot # 13 sits at the top edge of Chelsea Highlands.
